

10 March 1965

MEMORANDUM FOR THE RECORD

Morning Meeting of 10 March 1965

25X1

There was a current intelligence briefing -- including dis-

[redacted] for DDS&T noted an upcoming decision required on the launch of 1018; [redacted] weather in the Far East continues bad; OXCART No. 129 is being prepared for a special test flight. [redacted] noted a comprehensive briefing on the military situation in Vietnam prepared by DIA.

25X1

25X1

Houston noted that Kirkpatrick was briefing Representative Mathias this morning.

Sherman Kent discussed certain activities [redacted] of the Department of Defense. These activities had not been previously brought to the attention of the Office of the DCI.

25X1

There was a discussion of top secret papers in the form of a memo to the President which were the basis of Secretary of Defense's presentation to Congress.

DCI requested study of a question raised by the Joint Committee on Atomic Energy relating to the inter-relationships of high-altitude nuclear tests and the Soviet air-defense system.

DCI described briefly his meeting with McGeorge Bundy on 9 March indicating a continued need for a solution to NRO problems.
